BETHLEHEM HOUSING AUTHORITY

PART I: RESIDENTIAL LEASE AGREEMENT: TERMS AND CONDITIONS

THIS LEASE AGREEMENT (called the "Lease") is between the Bethlehem Housing Authority and the Tenant named in Part II of this Lease (called "Tenant"). [Title 24 CFR 966.4 (a)]

I. Description of the Parties and Premises: [966.4 (a)]

- (a) The authority, using verified data regarding the family income, assets, deductions, composition, needs, Leases to the Tenant, the property (called "premises" or "dwelling unit") as described in Part II of this Lease Agreement, are subject to the terms and conditions contained in this Lease. [966.4 (a)]
- (b) Premises must be used only as a private residence, solely for the Tenant and the household members named on Part II of the Lease. The authority may, by prior written approval, consent to the Tenant's use of the unit for legal profit-making activities incidental to the residential use subject to the authority's policy on such activities. [966.4 (d) (1 & 2)]
- (c) Any additions to the household members named on the Lease, including Live-in Aides and foster children, but excluding natural births, require the advance written approval of the authority. Such approval will be granted only if the new family members pass the authority's screening criteria, and a unit of the appropriate size is available. Permission to add Live-in Aides and foster children shall not be unreasonably refused. [966.4 (a)(2) & (d)(3)(I)]

The tenant agrees to wait for the authority's approval before allowing additional persons to move into the Premises. Failure on the part of the Tenant to comply with this provision is considered a serious violation of the material terms of the Lease, which may result in termination of the Lease by Section XVI. [966.4 (f)(3)]

- (d) Deletions (for any reason) from the household members named on the Lease shall be reported by the Tenant to the authority in writing, within **10 calendar days** of the occurrence. [966.4 (c)(1)(2) & (f)(3)]

II. Lease and Amount of Rent

- (a) Unless otherwise modified or terminated by Section XVI, this Lease shall automatically be renewed on a month to month. [966.4 (a)(1)]

The rent amount is stated in Part II of this Lease. Rent shall remain in effect unless adjusted by the authority in accordance with Section VII herein. [966.4 (c)]

The amount of the Total Tenant Payment and Tenant Rent shall be determined by the authority in compliance with HUD regulations and requirements and by the authority's Admissions and Continued Occupancy Policy (ACOP). [966.4 (c)]

- (b) **Rent is DUE and PAYABLE in advance on the first day of each month and shall be considered delinquent after the fifth calendar day of the month.** Rent may include utilities as described in Section VII below and include all maintenance services due to normal wear and tears. [966.4 (b)(1), (e)(1) & (3)]

When the authority makes any change in the amount of Total Tenant Payment or Tenant Rent, the authority shall give written notice to the Tenant. The notice shall state the new amount and the date from which the new amount is applicable. Rent redeterminations are subject to the Administrative Grievance Procedure. The notice shall also state that Tenant may ask for an explanation of how the amount is computed by the authority. If the Tenant asks for an explanation, the authority shall respond in a reasonable time. [966.4 (c)(4)]

III. Other Charges

In addition to rent, the Tenant is responsible for the payment of certain other charges specified in this Lease. The type(s) and amounts of other charges are specified in Part II of this Lease Agreement. Other charges can include: [966.4 (b)(2)]

- (a) **Maintenance costs** – The cost for services or repairs due to intentional or negligent damage to the dwelling unit, common areas, or grounds beyond normal wear and tear, caused by the Tenant, household members, or guests. When the authority determines that needed maintenance is not caused by normal wear and tear, Tenant shall be charged for the cost of such service, either by the Schedule of Maintenance Charges posted by the authority or (for work not listed on the Schedule of Maintenance Charges) based on the actual cost to the authority for the labor and materials needed to complete the work. If overtime work is required, overtime rates shall be charged. [966.4 (b)(2)]
- (b) **Excess Utility Charges** – At Developments or High Rises where utilities are provided by the authority, a charge shall be assessed for excess utility consumption due to the operation of major Tenant-supplied appliances. This charge does not apply to Tenants who pay their utilities directly to a utility supplier. [966.4 (b)(2)]
- (c) **Late Charges** – A charge of **\$20.00** will be charged for rent paid after the **fifth** calendar day of the month. [966.4 (b)(3)] The Authority shall provide written notice of the amount of any charge in addition to Tenant Rent, and when the charge is due. Charges in addition to rent are due no sooner than **two weeks** after the Tenant receives the authority's written notice of the charge. [966.4 (b)(4)]
- (e) **Returned Check Charges** – Rent will be considered unpaid when a check is returned as NSF, stop payment, or written on a closed account. The **first occurrence** of a check returned for these reasons will result in a charge of **\$16.50** on the Tenant's account, plus any applicable late charges. **Subsequent occurrences in the same year** will result in charges of **\$25.00 each**, plus any applicable late charges.

IV. Payment Location

Remittance of rent payments and/or other charges will only be accepted via mail to Bethlehem Housing Authority, P. O. Box 25089, Lehigh Valley, PA 18002-5089. However, if needed as reasonable accommodation, the Authority shall make other arrangements for payment of rent. The Authority will not accept cash. [8.24 (a)(1)(2) and (b)]

V. Security Deposit

- (a) **Tenant Responsibilities:** Tenant agrees to pay an amount equal to \$_____ or one month's Total Tenant Payment not to exceed **\$100.00**. The elderly, handicapped, or disabled shall pay **\$50.00**. The dollar amount of the security deposit is noted in Part II of this Residential Lease. [966.4 (b)(5)]
- (b) Tenants may terminate this Lease at any time by giving **fifteen (15) days'** written notice. The Security Deposit may not be used to pay rent or other charges while Tenant occupies the dwelling unit. No refund of the Security Deposit will be made until the Tenant has vacated, and the dwelling unit has been inspected by the authority.
- (c) **Authority's Responsibilities:** The authority will use the Security Deposit at the termination of this Lease:
 - 1. To pay the cost of any rent or any other charges owed by the Tenant at the termination of this Lease.
 - 2. To reimburse the cost of repairing any intentional or negligent damages to the dwelling unit caused by the Tenant, household members, or guests.
- (d) The authority shall not charge an increased security deposit for Tenants with disabilities, who are wheelchair-bound and/or have service, emotional, or companion animals that deem necessary as reasonable accommodation.

The return of a security deposit shall occur within **30 calendar days** after the Tenant moves out, in accordance with the Landlord Tenant Law of Pennsylvania. The authority agrees to return the Security Deposit plus accrued interest (subject to applicable laws), if any, to the Tenant when he/she vacates, less any deductions for any costs indicated above, so long as the Tenant furnishes the authority with a forwarding address. If any deductions are made, the authority will furnish the Tenant with a written statement of any such costs for damage and/or other charges deducted from the Security Deposit.

VI. Utilities and Appliances [966.4 (b)(1)]

- (a) **Authority-Supplied Utilities:** If indicated by an (X) on Part II of the Lease Agreement, the authority will supply the indicated utility: electricity, natural gas, heating fuel, water, and sewer service. The authority will not be liable for the failure to supply utility service for any cause whatsoever beyond its control.

If indicated by an (X) on Part II of the Lease Agreement, the Authority will provide a cooking range and refrigerator. Other major electrical appliances, air conditioners, freezers, extra refrigerators, washers, dryers, etc., may be installed and operated only with the written approval of the Authority. A monthly service charge will be payable by the Tenant where applicable for the electricity used in the operation of such appliances, as shown on the Schedule posted in the Development/High Rise Office. [966.4 (b)(2)]

Tenant-Paid Utilities: If Tenant resides in a Development where the authority does not supply electricity, natural gas, or heating fuel, an Allowance for Utilities shall be established, appropriate for the size and type of dwelling unit for utility Tenant pays directly to the utility supplier. The Total Tenant Payment less the Allowance for Utilities equals Tenant Rent. If the Allowance for Utilities exceeds the Total Tenant Payment, the Authority will pay a Utility Reimbursement to the utility supplier or Tenant each month. [5.603] Relief from payment of utility supplier billing more than the allowances for tenant-paid utilities, may be granted upon a tenant's request as reasonable accommodation for households with a person who has disabilities, to cover the cost of higher utility consumption necessitated by the disability-related medical equipment.

- (b) **Revision Because of Utility Allowance Rate Changes:** The authority may revise its allowances during the term of the Lease and shall give the tenant **30 calendar** days written notice of the revised allowance along with any resultant changes in Tenant Rent or Utility Reimbursement. [965.502 (b)] If the Tenant's actual utility bill exceeds the Allowance for Utilities, the Tenant shall be responsible for paying the actual bill to the supplier. If the Tenant's actual utility bill is LESS than the Allowance for Utilities, the Tenant shall receive the benefit of such saving.
- (c) **Tenant Responsibilities:** Tenant agrees not to waste the utilities provided by the authority and to comply with any applicable law, regulation, or guideline of any governmental entity regulating utilities or fuels. [966.4 (f)(8)]

The tenant agrees to connect utilities in the name of the Head or Co-Head of household only and agrees to notify the authority if utilities are terminated for non-payment.

Tenants also agree to abide by any local ordinance or House rules restricting or prohibiting the use of kerosene heaters in multi-dwelling units.

VII. Terms and Conditions

The following terms and conditions of occupancy are made a part of the Lease.

- (a) **Use and Occupancy of Dwelling:** Tenant shall have the right to exclusive use and occupancy of the dwelling unit for Tenant and other household members listed on the Lease. With the prior written consent of the authority, members of the household may engage in legal profitmaking activities in the dwelling unit incidental to the residential use. [966.4 (d)(1) & (2)]

- (b) Ability to comply with Lease terms: If, during the term of this Lease, Tenant, because of physical or mental impairment, is no longer able to comply with the material provisions of this Lease and cannot make arrangements for someone to aid him/her in complying with the Lease, and the authority cannot make any reasonable accommodation that would enable Tenant to comply with the Lease; THEN, the authority may designate member(s) of Tenant's family, to find more suitable housing and move Tenant from the dwelling unit at Tenant's expense. If there are no family members who can or will take responsibility for moving the Tenant, the authority will work with appropriate agencies to secure suitable housing and will terminate the Lease by Section XIV of this Lease.

At the time of admission, all Tenants can identify the family member(s) to be contacted if they become unable to comply with Lease terms.

(c) Redetermination of Rent, Dwelling Size, and Eligibility. The rent amount as fixed in Part II of the Lease Agreement is due each month until changed as described below.

- (1) The status of each family is to be re-examined annually. [5.617 (a)(1)]
- (2) Tenant must supply the authority, when requested, with accurate information about family composition, age of family members, income and source of income of all family members, assets, and related information necessary to determine eligibility, annual income, adjusted income, and rent. [5.617 (b)(2)]

Failure to supply such information when requested is considered a serious violation of the terms of the Lease, and the Authority may terminate the Lease.

All information must be verified. Tenant agrees to comply with the Authority's requests for verification by signing release waiver forms for third-party sources, presenting documents for review, or providing other acceptable forms of verification. [966.4 (c)(2)]

The authority shall give the Tenant adequate notice of what actions the Tenant must take and of the date by which any such action must be taken for compliance under this section. This information will be used by the authority to decide whether the amount of the rent should be changed and whether the dwelling size is still appropriate for Tenant's needs.

This determination will be made by the ACOP, which can be found in the **Family Development Office, Central Office, and on BHA website: Bethlehemhousing.org**. A copy of the policies can be furnished on request at the expense of the person making the request.

(3) Policies for tenants to report changes to the annual adjusted income or household composition that occur between annual reexamination:

- (a) BHA requires tenants on income-based rent to report all changes in family circumstances concerning family composition, income, and assets, that may affect rent and unit size that occur between annual reexaminations within 10 business days of the change. BHA will process interim reexaminations for changes that occur between annual reexaminations in total tenant income that exceeds \$200 per month or \$2,400 per year. Once all documentation is received from the tenant validating the reason for an interim reexamination, the PHA will determine if an interim is due and will complete the process within 30 days.
- (b) If it is discovered that the Tenant has misrepresented the facts upon which the rent is based to be charged less rent, then the Authority may apply an increase retroactively to the first day of the month following the date of the change leading to the interim reexamination of family income. No 30 days' notice is required. BHA will not reimburse the tenants for any overpayments when the overpayments are clearly caused by the tenants.
- (c) If at the time of the annual reexamination, tenant declarations were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, the PHA will conduct an interim reexamination.

- (d) The PHA may conduct an interim re-examination at any time to correct an error in a previous reexamination or during a fraud/misrepresentation of income.
 - (e) Tenants may report any increase in their childcare expenses or permissive deductions of child support to another BHA household within ten (10) business days. The PHA will conduct an interim if rent decrease is \$10 or more. Tenants do not have to report any decreases in childcare expenses. It will be picked up at their next annual reexamination.
 - (f) For Elderly and Disabled Head of Household or Co-Head, tenant may report any increases in their Health and Medical Care Expenses within ten (10) business days. The PHA will conduct an interim if rent decrease is \$10 or more. Tenants do not have to report any decreases in health and medical care expenses. It will be picked up at their next annual reexamination.
 - (g) **After the initial Over-Income determination is made**, PHA must conduct an income reexamination 12 months later to determine if the family remains over-income even if the family is paying flat rent and/or the date no longer coincides with the family's original annual reexamination date. An income reexamination to determine if a family remains over-income does not reset the family's normal annual reexamination date. If a PHA discovers through an annual or interim income reexamination during the 24-month grace period that a previously over-income family is below the over-income limit, the family is no longer over-income. In this case, a previously over-income family would be entitled to a new 24-consecutive-month grace period if the family's income once again exceeds the over-income limit.
 - (h) **Over-income families can only request an interim** determination of rent during the initial 24-month period following initial over-income. Over-income families will not be required to complete annual certification after the initial 24-month period. Termination of tenancy for family over-income for 24 consecutive months: HUD will allow PHA to grant an additional 6 months of housing beyond the consecutive 24-month period after initial determination.
 - (i) **Rent formulas or procedures** are changed by Federal law or regulation.
 - (j) **Reasonable Processing:** PHA must conduct any interim reexamination within a reasonable time after the family requests or when the PHA becomes aware of an increase. Reasonable processing time may vary based on the amount of time it takes to verify information but generally should not be longer than 30 calendar days after the family reports changes of income to the PHA.
- (4) All changes in family composition must be reported to the Family Development or High-Rise Offices within **10 calendar** days of the occurrence. Failure to report within **10 calendar** days may result in a retroactive rent charge. [966.4 (c)(2)]

This Lease may be revised to permit a change of family composition resulting from a request to allow an adult child to move back into the unit.

Rent Adjustments: Tenant will be notified in writing of any rent adjustment due to the situations described above. All notices will state the effective date of the rental adjustment.

- (1) **Rent Decrease:** If the tenant timely reported changes, rent decreases will be effective on the first day of the month after the date of the actual change leading to the interim reexamination of family income. This means the decrease may be applied retroactively.

Rent Increase: If the tenant timely reported changes, the BHA will provide the tenants with thirty (30) days' advance notice of any rent increases, and such rent increases will be effective on the first day of the month, beginning after the end of that 30-day period.

- (2) **Rent Increase: Due to a change in Federal law or regulations,** the increase will become effective on the first day of the second month following the month in which the Authority notifies the Tenant of the Law or regulatory change.

- (3) **Rent Increase:** If the rent increase is due to misrepresentation, failure to report a change in family composition, or failure to report an increase in income within ten (10) days, the BHA will implement rent increases retroactively to the first day of the month following the date of the change leading to the interim reexamination of family income. No 30 days' notice is required. Rent decreases will be effective on the first day of the month after the date of the actual change leading to the interim reexamination of family income as opposed to the first of the month following completion of the reexamination. This means the decrease may be applied retroactively. This policy will reduce the potential hardship on tenants and eliminate or significantly reduce the amount of rent tenants may owe BHA for back rent.

(d) Transfers [966.4 (c)(3)]

- (1) Tenant agrees that if the authority determines that the size or design of the dwelling unit is no longer appropriate to Tenant's needs, the authority shall send Tenant written notice. The tenant further agrees to accept a new Lease for a different dwelling unit of the appropriate size or design.
- (2) The authority may relocate a Tenant into another unit if it is determined necessary to rehabilitate or demolish the Tenant's unit.
- (3) If a Tenant makes a written request for special unit features in support of a documented disability, the authority shall modify the Tenant's existing unit. If the cost and extent of the modifications needed are greater than those required for a fully accessible unit, the Authority may transfer the Tenant to another unit with the features requested at the Authority's expense.
- (4) A Tenant without disabilities who is housed in an accessible or adaptable unit must transfer to a unit without such features should a Tenant with disabilities need the unit. [8.27 (b)]
- (5) In the case of **involuntary transfers**, the Tenant shall be required to move into the dwelling unit made available by the Authority. Tenants shall be given three **(3) calendar** days on which to move following the issuing of new keys. If the Tenant refuses to move, the authority may terminate the Lease. [966.4 (c)(3)]
- (6) Involuntary transfers are subject to the Grievance Procedure, and tenants have the right to request a grievance hearing. In cases where eviction is the consequence for refusing the mandatory transfer, tenants must request the grievance hearing within three **(3) calendar days**, and the hearing will be held promptly. If the hearing officer rules against the tenant, eviction proceedings shall proceed/continue with no further notice. [966.4 (c)(4)]
- (7) The authority will consider any Tenant requests for transfers by the transfer priorities established in the Admissions and Continued Occupancy Policies (ACOP).

VIII. Authority Obligations [966.4 (e)]

The authority shall be obligated:

- (a) To maintain the dwelling unit and the Development or High Rise in a decent, safe, and sanitary condition; [966.4 (e)(1)]
- (b) To comply with the requirements of applicable building codes, housing codes, and HUD regulations materially affecting health and safety; [966.4 (e)(2)]
- (c) To make necessary repairs to the dwelling unit; [966.4 (e)(3)]
- (d) To keep Development/High Rise buildings, facilities, and common areas, not otherwise assigned to Tenants for maintenance and upkeep, in a clean and safe condition; [966.4 (e)(4)]

- (e) To maintain in good and safe working order and condition electrical, plumbing, sanitary, heating, ventilating, and other facilities and appliances, including elevators supplied or required to be supplied by the Authority; [966.4 (e)(5)]
- (f) To provide and maintain appropriate receptacles and facilities (except containers for the exclusive use of an individual Tenant family) for the deposit of garbage, rubbish, and other waste removed from the premises by the Tenant as required by this Lease, and to provide disposal service for garbage, rubbish and other solid waste; [966.4 (e)(6)]
- (g) To supply running water and reasonable amounts of hot water and a reasonable amount of heat at appropriate times of the year according to local custom and usage; EXCEPT where the building that includes the dwelling unit is not required by law to be equipped for that purpose, or where heat or hot water is generated by an installation within the exclusive control of Tenant and supplied by a direct utility connection;[966.4 (e)(7)]
- (h) To notify the Tenant of the specific grounds for any proposed adverse action by the authority. (Such adverse action includes, but is not limited to, proposed Lease termination, transfer of Tenant to another unit, or imposition of charges for maintenance and repair, or for excess consumption of utilities.) When the authority is required to afford the Tenant the opportunity for a hearing under the authority's grievance procedure for a grievance concerning a proposed adverse action:
 - (1) The Notice of the proposed adverse action shall inform the Tenant of the right to request such a hearing. In the case of Lease termination, a notice of Lease termination that complies with 966.4 (1)(3) shall constitute adequate notice of proposed adverse action.
 - (2) In the case of a proposed adverse action other than a proposed Lease termination, the authority shall not take the proposed action until the time to request such a hearing has expired and (if the hearing was timely requested) the grievance process has been completed. [966.4 (e)(8)]
- (i) **Reasonable Accommodations for Residents with Disabilities:** Housing providers must make reasonable accommodations in the Lease and other policy requirements when requested by a qualified resident with disabilities. The concept of reasonable accommodation involves helping a resident meet essential Lease requirements; it does not require the lowering or waiving of essential requirements. Accommodation is not reasonable if it requires a fundamental alteration of the program or imposes undue financial and administrative burdens on the housing provider.
- (j) **Violence Against Women Act (VAWA):** At admission, lease termination, and any time the tenant request these forms, BHA shall provide tenant with **HUD Form - 5380** Notice of Occupancy Rights Under the Violence Against Women Act – Rights for Survivor and **HUD Form – 5382** Certificate of Domestic Violence, Dating Violence, Sexual assault, or Stalking. However, it is the responsibility of the tenants to inform BHA that they are a victim of domestic violence, dating violence, sexual assault, or stalking, or any other violence concerning VAWA. Tenant must provide enough information for BHA to decide regarding the adverse factor they are claiming was a direct result of domestic violence, dating violence, sexual assault, or stalking. Tenants also have the right to request an emergency transfer and certify they qualify for an emergency transfer under VAWA. Upon request, BHA shall issue the tenant **Form HUD-5381** Emergency Transfer Plan and **HUD Form-5383** Emergency Transfer for Victims of Domestic Violence, Dating Violence, Sexual assault, or Stalking.
- (k) **Lease-Bifurcation:** In accordance with the Federal regulation 24 CFR 5.2009 (a), Bethlehem Housing Authority shall bifurcate a lease, or remove a household member or lawful occupant from the lease to evict, remove, terminate occupancy rights, or terminate assistance to such member who engage in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual.

The bifurcation shall be consistent as follows: For mixed families where assistance is being provided to the perpetrator and the victim is a member of the household who hasn't contended eligible immigration status, BHA shall provide any remaining tenant who was not already eligible a period of 30 calendar days from the date of bifurcation of the lease to:

- a) Establish eligibility for the same covered housing program under which the evicted or terminated tenant was the recipient of assistance at the time of bifurcation of the lease.
- b) Establish eligibility under another covered housing program; or
- c) Find alternative housing.

Assistance is limited to **30 days** if the remaining members have not submitted documentation evidence of satisfactory immigration status, or a pending appeal of a verification determination of the family member's immigration status. This is because Section 214 of the Housing and Community Development Act of 1980 (42 U.S.C. 1436a(d)(4)(A)) requires that assistance under these programs be terminated after 30 days if the remaining family members cannot indicate they have a satisfactory immigration status.

BHA will not initiate eviction procedures until 30 days after the lease bifurcation.

Eviction, removal, termination of occupancy rights, shall be in accordance with the procedures prescribed by federal, state, or local law for termination of lease.

Court-ordered eviction of the perpetrator pursuant to applicable laws results in the underlying lease becoming null and void once BHA regains possession of the unit. BHA would then execute a new lease with the victim who has been determined eligible under the covered housing program. **Note:** HUD encourages PHAs to simultaneously attempt to reach agreement to the mutual termination, if it is safe to do so.

IX. Tenant's Obligations

Tenant shall be obligated:

- (a) Not to assign the Lease, nor sublease the dwelling unit. [966.4 (f)(1)]
- (b) (1) Not to give accommodation to boarders or lodgers; [966.4 (f)(2)]
- (2) **GUEST STAY:** Tenants must notify the PHA in writing (BHA Guest Form) and complete a Criminal Background/Sex Offender Questionnaire when overnight guests will be staying in the unit for more than three (3) calendar days. A guest can remain in the unit no longer than 14 consecutive calendar days or a total of 30 cumulative calendar days during any 12 months, with advanced consent in writing to the BHA.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure expected to last 30 consecutive calendar days). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

Children who are subject to joint custody arrangements or for whom a family has visitation privileges, who are not included as a family member because they live outside of the public housing unit more than 50 percent of the time, are not subject to the time limitations of guests as described above.

Former residents who have been banned, evicted, or owe BHA a balance is not permitted as overnight guests.

Guests who represent the public housing unit address as their residence address or address of record for receipt of benefits or any other purposes will be considered unauthorized occupants. In addition, guests who remain in the unit beyond the allowable time limit will be considered unauthorized occupants, and their presence constitutes a violation of the lease.

- (a) PHA's permission is not required for overnight stay. However, when required, a tenant must provide the name and address of their overnight guest for the following reasons: When complaints are received that a tenant's guest has threaten the health, safety, and peace of the premises, or participated in criminal activity or drug related criminal activity on or near the premises, assaulted other residents or the PHA's employees, or subcontractors, participated in actual/or threatened

gender-based violence or stalking, violated the PHA's no smoking policy, affected the health, safety, or right to peaceful enjoyment of the premises by other tenants. For these reasons, the tenants are responsible for having knowledge of their overnight guest's name and address.

- (b) For the health and safety of the PHA's tenants, employees, subcontractors, tenants are not permitted to allow any stranger to stay overnight.
- (c) The PHA reserves the right to ban guests who threaten health, safety, or the right to peaceful enjoyment by other residents. In such cases, tenants will be notified when a guest has been banned. Then, they can make a complaint about the PHA's decision to ban guests by using the Grievance Procedure.
- (d) If a tenant breaks the rules in the lease, the PHA shall terminate the tenancy and start an eviction. The head of household is responsible for the conduct of visitors and guests, inside the unit as well as anywhere on or near PHA premises [24 CFR 966.4(f)].
- (c) To use the dwelling unit solely as a private dwelling for Tenant and Tenant's household as identified in PART II of the Lease, and not to use or permit its use for any other purpose. [966.4 (f)(3) & (d)(1&2)] (See also Sec. I (b))

This provision does not exclude the care of foster children or live-in care of a member of the Tenant's family, provided the accommodation of such person conforms to the authority's Occupancy Standards, and so long as the authority has granted prior written approval for the foster children or live-in aide to reside in the unit. [966.4 (d)(3)(i)]

- (d) To abide by necessary and reasonable regulations promulgated by the Authority for the benefit and well-being of the housing Development or High Rise and Tenants. These regulations shall be posted conspicuously in the Development Office and incorporated by reference in this Lease. Violation of such regulations constitutes a violation of the Lease. [966.4 (f)(4)]
- (e) To comply with the requirements of applicable state and local building or housing codes, materially affecting the health and/or safety of the Tenant and household. [966.4 (f)(5)]
- (f) To keep the dwelling unit and other such areas as may be assigned to the Tenant for exclusive use in a clean and safe condition. [966.4 (f)(6)] This includes keeping front and rear entrances and walkways for the exclusive use of the Tenant, free from hazards, clutter, and trash, and keeping the yard free of debris, litter, clutter. Exceptions to this requirement may be made for Tenants who have no household members able to perform such tasks because of age or disability, provided a request is on record. [966.4 (g)]
- (g) To dispose of all garbage, rubbish, and other waste from the dwelling unit in a sanitary and safe manner only in containers approved or provided by the Authority. [966.4 (f)(7)]
 - (1) To refrain from and cause members of Tenant's household or guest to refrain from littering or leaving trash and debris in common areas, including patios, porches, and shed areas.
- (h) To use only in a reasonable manner all electrical, sanitary, heating, ventilating, air-conditioning, and other facilities and appurtenances including elevators. [966.4 (f)(8)]
 - (1) Waterbeds and swimming pools are prohibited.
 - (2) Sprinklers and wash hoses are prohibited.
 - (3) Washing vehicles are prohibited.
- (i) To refrain from and to cause households and guests to refrain from destroying, defacing, damaging, or removing any part of the dwelling unit or Development or High Rise. [966.4 (f)(9)]
- (j) To pay reasonable charges (other than for wear and tears) for the repair of damages to the dwelling unit, Development, or high-rise buildings, facilities, or common areas caused by Tenants, household members, or guests. [966.4 (f)(10)]

(k) To act, and cause household members or guests to act in a manner that will:

- (1) Not disturb other residents' peaceful enjoyment of their accommodations; and
- (2) Be conducive to maintaining all authority Developments and High Rises in a decent, safe, and sanitary condition. [966.4 (f)(11)]

(l) To assure that Tenant, any member of the household, guests, or another person under Tenant's control, shall not engage in:

XV. Waiver

No delay or failure by the Authority in exercising any right under this lease agreement, and no partial or single exercise of any such right shall constitute a waiver (post or prospective) of that or any other right, otherwise expressly provided herein.

XVI. Housekeeping Standards

To improve the livability and conditions of the apartments owned and managed by the Bethlehem Housing Authority, uniform standards for resident housekeeping have been developed for all tenant families.

- (a) **Authority Responsibility:** The housekeeping standards that follow will be applied fairly and uniformly to all Tenants. The Authority will inspect each unit at least annually, or when deemed necessary to determine compliance with the standards. Upon completion of an inspection, the Authority will notify the Tenant in writing if he/she fails to comply with the housekeeping standards. The Authority will set up an appointment with the tenant within two weeks and advise the Tenant of the specific correction(s) required to establish compliance and indicate that training is available and have the tenant sign a housekeeping certification of his or her acceptance to take the training or refuse it. Training will be available at no cost to any Tenant requesting or needing assistance in complying with the Housekeeping Standards.

(b) **Procedure to be followed when a tenant fails their unit inspections:**

- (1) When a tenant fails the initial housekeeping inspection, a follow-up inspection will be conducted within two weeks from the date management meets with the tenants and goes over their failed inspection, correction needed and offers the available training that consists of a video.

- (2) If, at the follow-up inspection, the tenant fails the unit inspection, the unit will be inspected again in thirty (30) days.
- (3) If the unit fails the (30) day follow-up inspection, the tenant's lease will be immediately terminated. Failure of three failed inspections will constitute a violation of the Lease terms.
- (4) If the tenant has a disability and hoarding/clutter is related to her or his disability, the tenant may request reasonable accommodation to stop eviction, and/or to grant them more time to correct the problem and indicate why they will be able to correct the problem. In the tenant's request for reasonable accommodation, the tenant must state the reasonable amount of time to clean up and get rid of the clutter, and when they will be ready for another unit inspection. Then the authority will schedule another unit inspection. Note: Reasonable amount of time and inspection may not consist of longer than ninety (90) days.
- (5) This reasonable accommodation may be an exception, or adjustment to the lease term. The tenant can ask for reasonable accommodation in person, over the phone, or in writing, but it is best to put the request in writing for the tenant to keep a copy of the request. If the tenant's disability is not obvious, the tenant must provide verification by a professional health care provider explaining how reasonable accommodation is related to the disability. The doctor does not need to reveal the tenant's diagnosis. If the tenant is not able to correct the problem, the tenant will need to attend the eviction hearing.
- (6) No tenants will be evicted because of their disability, but because they failed to comply with the authority's housekeeping standards. Because the tenant lives in a subsidized public housing unit, the tenant must have the ability to comply with the authority's housekeeping standard or plan for someone to aid him or her in complying with the housekeeping standards. If a tenant cannot make any reasonable accommodation that would enable the tenant to comply with the housekeeping standard, then tenant must find more suitable housing and move from the dwelling unit at the tenant's expense.
- (7) If the tenant lives in Lehigh or Northampton Counties, and he or she is having housing problems relating to hoarding/cluttering they may call 610-317-5322. Government agencies may be able to help, or the following resources:
 - Residents of Lehigh County can contact the Lehigh County Office of Aging and Adult Services at 610-782-3034.
 - Residents of Northampton County can contact Northampton County Area Agency on Aging at 610-559-3245.
 - Northampton County Mental Health, Early Intervention, or Developmental Programs at 610-974-7555.
 - Residents of Lehigh and Northampton Counties with disabilities should contact the Lehigh Valley Center of Independent Living at 610-770-9781 or www.lvcil.org.
 - If a tenant has a disability and does not have an intensive case manager, the tenant should ask their doctor if he or she thinks an intensive case manager would be helpful to them. An intensive case manager may be able to assist the tenant in addressing their hoarding or clutter behavior or connect the tenants to local resources that can help.
 - If the tenant does not have family or friends to help clean or get rid of the clutter, the tenant may also contact members of their community organization, church, synagogue, mosque, or temple to see if they may be able to help. They may contact charitable organizations or visit websites such as www.hoardingcleanup.com or www.helpforhoarders.com for resources and assistance.
